

CRITICAL ACTIVITIES FOR FUNDING TO IMPLEMENT MOST IMMEDIATE ISSUES OF CONCERN TO SIX PANGUNA MINE LEASE AREAS

LEASE AREAS

1. Siokate Lease
2. Port Lease
3. Port-Mine Access Road Lease
4. Special Mining Lease
5. Upper Tailings Lease
6. Lower Tailings Lease

ACTIVITIES

- i. **Support all six Associations to be fully established in respect of their Lease areas as soon as practicable [work in progress by ABG].**
- ii. **Conclusion / closure of all pending and incomplete reconciliations that are impediments to formation and establishment of above Associations [Funding submission with Minister for BA].**
- iii. **Conclusion / closure of other key and critical reconciliations between individuals and groups as identified by PDA [funding included in submission with Minister].**
- iv. **Support cultural, spiritual and social role of women as a catalyst to give impetus to formation and operation of above [including encompassing youth]. [source funding].**
- v. **Agreement on preparation, timing and resources support towards umbrella Landowner association executive election comprising and representing the six lease area Associations [Dedicated funding required for this activity under the auspices of Nat Govt and ABG] .**
- vi. **Bougainville Region wide Awareness – this is critical to any understanding and success of all activities in connection with and leading to resumption of mining in Panguna and other areas [Funding support from BCL].**

SUPPORT & FACILITATION

- i. Minister for BA [NCOBA], ABG [Central Regional Administration, PDA], Association Chairpersons [CRA, PDA].
- ii. Dept Mineral Policy & Geohazards Management; MRA
- iii. Provision for advisory/consultative support by resource personnel to CRA and PDA in liaison with Minister for Bougainville Affairs and ABG [located with CRA/PDA & NCOBA].
- iv. BCL/Rio

IMPLEMENTATION

- i. ABG
